PARENTS/GUARDIANS: PLEASE READ! **REGARDING SIERRA VIEW FUNDRAISING FOR THE SCHOOL YEAR**

There are two separate and unique parent groups at Sierra View – PTA and PAC. Each group has a very different role it plays on our children’s campus – but work together for a common goal – TO PROMOTE QUALITY EDUCATION for our children.

The **Sierra View Chapter of the Parent Teacher Association (PTA)** builds and maintains strong programs and activities on our campus to bring our children together, enhance their learning environment, and keep the FUN in their school experience. The **Parent Advisory Council (PAC)** assists teachers and administrators in the planning, development, implementation, and evaluation of all Academics Plus Program goals and core curriculum.

The PTA programs, activities and campus support that benefit your Sierra View student are all fueled by fundraising efforts listed below. PTA runs a general fund which disburses the funds for programs like: RICH Reading, Citizenship Awards, the Sierra View Store, Popsicle Fridays, Battle of the Books, Library books, Chess Club, Computer Lab improvements, campus improvements, classroom technology, Holiday Sing-a-Long, Bike Week, Staff Appreciation Week, and assemblies (*for a complete list, please ask a PTA board member for a copy of the budget*).

Other PTA Goals are set annually. For input on goals contact a PTA member or attend a meeting.

The PAC supports the Academics Plus Program’s goals and core curriculum through the annual Math-a-thon – an education-based fundraiser.

In an effort to better communicate with our Sierra View Parent Community, listed below are all of the fundraising efforts sponsored by the SV PTA, PAC and 6th Graders for their Environmental Camp.

While we try our best to space out these events, we realize there may be some overlap with other schools, sports and other youth activities. Please feel free to choose which fundraisers/activities you participate in.

Thank you in advance for the support you will give this year! Our children will benefit enormously!
