Dear Sierra View Families:

With summer right around the corner, I wanted to share some resources for preventing the summer slide. Here are some learning opportunities to enrich your child's education over the summer:

**1. Chico State Summer Reading Program:**

<http://rce.csuchico.edu/lifelong-learning/reading>

This month-long program is geared toward students' specific ages and is designed to improve comprehension, decoding, fluency, and build enthusiasm for reading.

**2. Butte County Library Summer Reading Program:**

<https://www.buttecounty.net/bclibrary/SummerReading.aspx>

Children can earn rewards for reading in June and July by participating in this program.

**3. i-Ready Online Lessons: <http://login.i-ready.com> (contact me for your child's login)**

Our students can work on lessons that are targeted at their individual learning needs based on the assessments they have taken during the school year.

**4. ThinkStretch Summer Workbooks:**

<https://thinkstretch.com/product/summer-learning/#Parent>

These workbooks are more engaging than many summer workbooks that contain only worksheets. They include hands-on activities and a parent guide that help you support your child.

**5. Click here for a summer slide handout with more ideas:**

We hope you have a great summer!
